# TODAY & TOMORROW

AUG. 17-SEPT. 6, 1985

**The first annual "Bay to Breakfast Walk" for seniors age 60 and over will be held on Friday, September 6, beginning at 10 a.m.**

The 1.5 mile walk will begin at Crissy Field in the Presidio and will finish at Fort Mason.

The one dollar registration fee will entitle only the 60 year or older participants to:

- free entry to the San Francisco Fair and Exposition, Fort Mason, Sept. 6,
- breakfast following the walk,
- commemorative pin,
- drawings for several prizes,
- a senior "walk log,"
- live entertainment at the beginning and end of the walk.

Persons of all ages are encouraged to participate in the walk; only senior citizens age 60 and over who register before Wednesday, August 28, are eligible for the post-walk breakfast and prizes. For registration call 626-1033.

The "Bay to Breakfast Walk" is sponsored by the Coalition of Agencies Serving the Elderly and the SF Department of Public Health, and cosponsored by the UCSF Institute for Health and Aging.

## MOVES

**The UCSF Cell Culture Facility's media production service** has moved from Room 1000, Medical Sciences building, to a new laboratory in Room 415, Clinical Sciences building. Telephone extension 1450 remains the same. Investigators should continue to pick up cell and tissue culture products from Room S 1000. The move will allow the Cell Culture Facility to meet the increasing demands of the campus for high quality cell culture products. A new monoclonal antibody reproduction laboratory soon will be housed in S 1000.

**The UCSF Foundation office** has moved from 145 Irving Street to 350 Parnassus Avenue, Suite 307. Telephone extension 3945 remains the same.

**The Graduate Division has received a state grant of $45,000 to continue its Mentorship Program for a second year.**

The students selected to participate in this year's program are: Diana K. Darnell, anatomy (mentor Charles Ordahl); Celia J. Orona, sociology (mentor Virginia Olesen); Mary T. Perkins, nursing (mentor Sandra Ferketich); and Constance W. Mahoney, sociology (mentor Carroll Estes).

The Mentorship Program is part of the University-wide Graduate and Professional Student Affirmative Action Program. The participants are minority and women second- or third-year graduate students in fields where they are underrepresented. The program allows for up to four of these students to help guide them through completion of the degree program. They are paid as research assistants; the student-faculty team also receives $750 for research expenses.

This also marks the second year of the Graduate Division's Affirmative Action Early Outreach Program. The 10-week summer program is aimed at individuals who have completed their undergraduate junior year and who seek graduate training in a health science field. The three students selected this year are: Carl W. Buckhorn (Lucy A. Waskell, VAMC anesthesia, sponsor); Ralph Devers (Douglas Schmucker, anatomy, sponsor); and Ernest R. Rector (John Watson, biochemistry, sponsor).

**Ninety-five percent of the School of Dentistry class of 1985 who took the State Board Examination in June passed.** This is one of the highest pass rates for any of the California schools in several years, according to Dean John C. Greene.

**Due to an extremely tight budget, Hospitals and Clinics now charges $.50 to cash employee checks at the Moffitt cashier's office.** If more automated teller machines are installed on campus it is possible that the Moffitt cashier employee check cashing service will be eliminated.

**The Cancer Research Institute's General Tumor Registry now has available a tape of all reported cancer cases** in the Bay Area counties of San Francisco, Alameda, Contra Costa, San Mateo and Marin.

Available to UC staff, students and other qualified researchers, the tape contains tumor information including primary site, histologic type, extent of disease, as well as age, sex and race for each of the 147,520 cases reported from 1973 to 1983. Patient name, social security number, address and reporting hospital have been deleted to preserve confidentiality. For further information contact Alan R. Houser, General Tumor Registry, Room U 585, x2294 or x2331.

## CONTINUING EDUCATION

**DENTISTRY**

Held in C 701, unless otherwise noted. Call x1101.

**Symposium—TMJ Function & Dysfunction.** Holiday Inn Union Square, SF. Sept. 13-14.

**Periodontics.** Sept. 20.

**Periodontics.** Monterey, CA. Sept. 27-28.

**MEDICINE**

Call x4251, unless otherwise noted.

**Topics in Emergency Medicine.** Holiday Inn Union Square, SF. Aug. 26-30. Call x5208.

**Primary Care.** SF. Sept. 9-13.

**A Team Approach to Health Care for the Homeless Elderly.** Carr Aud., SFGH. 1-5 p.m. Sept. 10. Cosponsored by the Department of Family & Community Medicine. Call 558-5104.

## DEADLINE

**Deadline** for the next issue of *Today & Tomorrow*, covering the time period Sept. 7-20, will be **Monday, Aug. 26, 11 a.m.** Please send your copy to Allen Balderson, News & Public Information Services, 532 Parnassus Ave., Rm. 300, x1541 or x2557.

**Peter Dallos, PhD, associate dean of the College of Arts and Sciences, Northwestern University, has been chosen as the second annual Francis A. Sooy Visiting Professor.** He will be on campus Monday and Tuesday, September 23 and 24.

Dallos, who also is professor of neurobiology, physiology, audiology, otolaryngology and electrical engineering, will present the Sooy Lecture on "Where Hearing Begins: Neurobiology of the Peripheral Auditory Organ" on Monday in Toland Hall at 4 p.m.

The following day from 10 a.m. to 2 p.m. in the Faculty/Alumni House, Dallos will head a panel discussion with nine other researchers from five institutions on "Contemporary Issues in Hearing Research." UCSF researchers will include otolaryngologists James Hudspeth, Patricia Leake, Michael M. Merzenich, Robert A. Schindler, visiting professor Louis Robles; and Hewitt Crane, SRI; William Bialek, UCSB; Peter Narins, UCLA; and Charles Steele, Stanford.

An expert on operations of the inner ear, last year Dallos received the Senator Jacob Javits Neuroscience Investigator Award and the International Prize from the Amplifon Research and Study Center. He is a member of the NIH National Advisory Neurological and Communicative Disorders and Stroke Council.

The lectureship is named in honor of Francis A. Sooy, MD, chancellor emeritus and professor of otolaryngology. Sooy served as fourth chancellor of UCSF from 1972-1982, and under his leadership the campus enhanced its position as one of the most distinguished health science campuses in the country. A noted surgeon in the field of otology with an international reputation, he also served as chair of the Department of Otolaryngology from 1958-1972, and is credited with introducing innovative procedures in the surgical treatment of deafness.

**There soon will be several changes and options in employee benefits:**

*California Dental Service (CDS):*

Preventive measures will continue to be emphasized and encouraged by the following modifications effective October 1, 1985:

- X-rays will be covered 100%.
- The number of covered preventive dental checkups for each employee will increase to three per year.
- Peridontal prophylaxis procedure (#450) will increase to 100% coverage.

This year, employees will be able to change their dental plans during the open enrollment period in November.

*Dependent Care:*

Effective January 1, 1986, the University will offer employees a Dependent Care Assistance Program (DCAP), which will allow employees to pay for child care, whether or not it is provided by the University, on a pre-tax salary deduction basis. Employees may select a specific amount to be deducted from their paycheck and deposited in their DCAP account.

*Life Insurance:*

Separation of Employee-paid Life Insurance and Long-Term Disability (LTD): As a result of recommendations from a task force, the University will separate the Life and LTD insurance effective January 1, 1986.

*Payroll Deduction IRAs:*

This plan will be implemented with September 1985 earnings. IDS/American Express and Wells Fargo Bank have been selected as the two vendors. A summary of both plans will be mailed to all employees in August.

*Additional Retirement Programs:*

- Effective with September 1985 earnings, two new investment alternatives will be added: Guaranteed Insurance Contract Fund and Money Market Fund.
- Features will be changed to permit a participant in the Supplemental Retirement Funds and the Tax-Deferred Annuity Plan to transfer up to 100% of accumulations from any one of the funds to any other at any time, but not more than once in any six-month period. Participants in the Guaranteed Insurance

*(continued inside)*

Vol. 11 No. 15, Aug. 17-Sept. 6, 1985

• Aug. 28-30: Near YMCA on 16th Ave. between Geary & Clement.
• Sept. 3-6: Stonestown YMCA, 333 Eucalyptus Dr.

**LABORATORY MEDICINE CORE CURRICULUM IN CHEMISTRY:** *Disorders of the Lymphoid & Monocyte System, Part I.* Jay H. Beckstead, Path. & Lab. Med. L 535. 2-3:30 p.m.

**LABORATORY MEDICINE GRAND ROUNDS:** *How Retroviruses Replicate, Transduce Genes & Can Be Used as Genetic Vectors.* Harold Varmus, Microbio. L 535. 4-5 p.m.

**ANESTHESIA MORBIDITY/MORTALITY CONFERENCE.** HSW 301. 3:30-5 p.m.

## 20 TUESDAY

**ORAL SURGERY CONFERENCE.** C 701. 8 a.m.

**COMBINED MODALITY BREAST CANCER CONFERENCE.** Surg. Clin. Conf. Rm., 6th fl. A. 8 a.m.

**NEW EMPLOYEE ORIENTATION:** *UCSF Policies, Procedures, Benefits & Campus Tour.* Presented every other Tues. All new employees are urged to attend. 8:30 a.m.-12:30 p.m. S 214. To register call x1645.

**CENTER ON DEAFNESS ROUNDS:** *Interpreting Changes: Historical Perspectives from 1973-1985.* Steven Fritsch-Rudser, Cntr. on Deafness. 1474-5th Ave. 10:30 a.m.-noon.

**OBSTETRICS/PEDATRICS & ANESTHESIOLOGY CONFERENCE:** Julian R. Parer, Ob/Gyn; Roderic H. Phibbs, Ped. & CVRI; Sol Shnider, Anes. & Ob/Gyn. M 1486. Noon.

**LECTURE/SLIDE PRESENTATION:** *Tahiti & Alaska.* Ernest Jawetz, Microbio. C 213. Noon-1 p.m.*

**INTRODUCTION TO HOSPITALS & CLINICS:** For new employees in Hospitals & Clinics areas. Presented every other Tuesday. 1:45-3:30 p.m. M 169. Supervisors call Nancy, x1401.

**PSYCHIATRY SPECIAL LECTURE:** *Lessons from the Hamburg Brief Psychotherapy Experiment.* Adolph E. Meyer, Psychr. & Psychosomatic Med., U Hamburg, W. Germany. LPPI Aud. 2 p.m.

**NEW VOLUNTEER ORIENTATION:** To acquaint new & prospective volunteers with opportunities in Hospitals & Clinics. C 130. 6-8:30 p.m.*

## 21 WEDNESDAY

**HAND SURGERY CONFERENCE:** *Physical Therapy in Hand Surgery.* Gay Meyers, Phys. Ther. S 214. 7-8 a.m.

**MULTIDISCIPLINARY TUMOR BOARD:** L 34. 7:30 a.m. Call Genny Buehler, coordinator, x1662.

*New Insights into Parkinson's Disease.* William Langston, Parkinson's Disease & Clin. Prog., Santa Clara Valley Med. Cntr. S 664. 11 a.m.-12:05 p.m.

**UCSF/MOUNT ZION GERIATRIC GRAND ROUNDS:** *Insomnia: Pharmacological Approach to Treatment in the Elderly.* Ron Finley, Clin. Pharm. Herbst Hall, Mount Zion. Noon.

**NEURO-ONCOLOGY CONFERENCE.** L 34. 12:30-2 p.m.

**COMBINED HEMATOLOGY/ONCOLOGY ROUNDS.** M 1296. 1:30-2:30 p.m.

**ORTHOPAEDIC SURGERY CLINICAL GRAND ROUNDS.** A 630. 4 p.m.

**MEDICINE/SURGERY ADULT CARDIAC CATHETERIZATION CONFERENCE.** L 1361. 4-6 p.m.

**PRIMARY CARE GRAND ROUNDS:** *How Social Worker Can Enhance Patient Care.* Joanne Bender, social worker, Dept. Med. A 455. 4:30 p.m.

**NEUROSURGERY GRAND ROUNDS.** HSW 302. 4-5:30 p.m.

**RADIOLOGY GRAND ROUNDS:** *Emergency Nuclear Medicine Procedures.* Barry Engelstad, Radiol. & Nuc. Med. HSW 303. 5:30-6:30 p.m.

## 23 FRIDAY

**PULMONARY PHYSIOLOGY SEMINAR:** *Single Breath CO Diffusing Capacity.* Carl Kirsch, CVRI. L 1361. 8:10-9:30 a.m.

**PEDIATRICS CHIEF OF SERVICE ROUNDS.** M 666. 9 a.m.

**CLINICAL NEUROLOGY CONFERENCE.** A 884. 11 a.m.

**PATHS OF HEALING & WHOLENESS SEMINAR:** *Body, Mind & Spirit—A Holistic Approach to Growth.* Bret Stahlbaum. N 517. Noon-1 p.m.

**PERINATAL MORBIDITY & MORTALITY CONFERENCE.** M 666. Noon.

**LECTURE/SLIDE PRESENTATION:** *Italy: Venice & Florence.* Ernest Jawetz, Microbio. C 213. Noon-1 p.m.*

## 28 WEDNESDAY

**HAND SURGERY CONFERENCE:** *Journal Club.* S 214. 7-8 a.m.

**MULTIDISCIPLINARY TUMOR BOARD:** L 34. 7:30 a.m. Call Genny Buehler, coordinator, x1662.

**NUCLEAR MEDICINE CONFERENCE.** S 455. 8 a.m.

**DERMATOLOGY GRAND ROUNDS:** *Sunlight, Man & the Microcomputer (UV Monitoring).* H. Moseley, Med. Physics, England. HSW 302. 8-9 a.m.

**PRIMARY CARE LECTURE SERIES:** *Appropriate Drug Treatment of the Elderly.* Ron Finley, Clin. Pharm. *Legal Medicine.* Dan Tennenhouse, Fam. & Comm. Med. & Schl. Nurs. A 455. 10 a.m.-noon.

**MEDICINE GRAND ROUNDS:** *Acute Pancreatitis.* James H. Grendell, Med. & Physio. *Shunt vs. Sclerotherapy in Variceal Hemorrhage.* John Cello, Med. Cole Hall. 10:30 a.m.-noon.

**BROWN BAG TOURS LECTURE SERIES:** *Fluoridation, or Where Have All the Dr. Strangeloves Gone?* Ernest Newbrun, Stomatol. Tapes of all talks available for listening in HSE 345, SIMA unit, UCSF Library. For further information call x4394. HSW 303. Noon. Free.*

**UCSF AL-ANON MEETING:** For friends & families of alcoholics. S 1364. Noon-1 p.m.*

**TRISERVICES CARDIOLOGY CONFERENCE.** C 130. 4-5 p.m.

**CHILD NEUROLOGY CONFERENCE.** M 666. 4:30 p.m.

**PATHOLOGY GRAND ROUNDS:** *Special Stains in Histopathology.* Ben Yen, Path. HSW 508. 5:15-6:15 p.m.

L 1361. 8:10-9:30 a.m.

**PEDIATRICS CHIEF OF SERVICE ROUNDS.** M 666. 9 a.m.

**CLINICAL NEUROLOGY CONFERENCE.** A 884. 11 a.m.

**PATHS OF HEALING & WHOLENESS SEMINAR:** *Psychoneuroimmunology—Healing the Spirit-Body Relationship.* Ron Litz. N 517. Noon-1 p.m.

## 3 TUESDAY

**HOSPITALS AUXILIARY EXHIBIT:** On display for the month of September in the lobby of Moffitt Hospital will be photographs by the Millberry Union photography class, craft items by La Gamma, acrylics by Monique Bibel and etchings by Danielle Desplan. A portion of all proceeds benefits Hospitals & Clinics patients. For further information or to purchase or reserve work, visit the Auxiliary Office, next to the cashier, Moffitt lobby, 10 a.m.-2 p.m. or call x4906.

**ORTHOGNATHIC SURGERY CONFERENCE.** Toland Hall. 8 a.m.

**COMBINED MODALITY BREAST CANCER CONFERENCE.** Surg. Clin. Conf. Rm., 6th fl. A. 8 a.m.

**NEW EMPLOYEE ORIENTATION:** *UCSF Policies, Procedures, Benefits & Campus Tour.* Presented every other Tues. All new employees are urged to attend. 8:30 a.m.-12:30 p.m. Cole Hall. To register call x1645.

**OBSTETRICS/PEDIATRICS & ANESTHESIOLOGY CONFERENCE:** Julian T. Parer, Ob/Gyn; Roderic H. Phibbs, Ped. & CVRI; Sol Shnider, Anes. & Ob/Gyn. M 1486. Noon.

**CENTER ON DEAFNESS ROUNDS:** *Developmentally Disabled Services in Community Mental Health of Marin County.* Art Seigal, Comm. Mntl. Hlth., Marin. 1474-5th Ave. 10:30 a.m.-noon.

**INTRODUCTION TO HOSPITALS & CLINICS:** For new employees in Hospitals & Clinics areas. Presented every other Tuesday. 1:45-3:30 p.m. M 169. Supervisors call Nancy, x1401.

HSW 301. 11 a.m.-12:30 p.m.

**NEURO-ONCOLOGY CONFERENCE.** L 34. 12:30-2 p.m.

**COMBINED HEMATOLOGY/ONCOLOGY ROUNDS.** M 1296. 1:30-2:30 p.m.

**ORTHOPAEDIC SURGERY CLINICAL GRAND ROUNDS.** A 630. 4 p.m.

**MEDICINE/SURGERY ADULT CARDIAC CATHETERIZATION CONFERENCE.** L 1361. 4-6 p.m.

**UROLOGIC PHYSIOPATHOLOGY SEMINAR:** *Post-Obstructive Diuresis.* Sharron Mee, Uro. M 460. 4:30 p.m.

**PRIMARY CARE GRAND ROUNDS:** *The "Routine" Physical Examination.* Paul Heineken, Med., VAMC. A 455. 4:30 p.m.

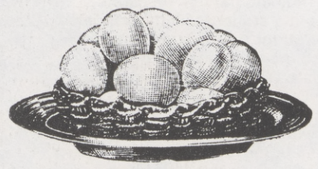
**NEUROSURGERY GRAND ROUNDS.** HSW 302. 4-5:30 p.m.

**RADIOLOGY GRAND ROUNDS:** *Radiographic Evaluation of Cervical Spine Trauma.* Michael Brant-Zawadzki, Radiol. HSW 303. 5:30-6:30 p.m.

## 6 FRIDAY

**PULMONARY PHYSIOLOGY SEMINAR:** *Arterial Blood Bases and pH.* John Luce, Med. & Anes. L 1361. 8:10-9:30 a.m.

**PEDIATRICS CHIEF OF SERVICE ROUNDS.** M 666. 9 a.m.



### BAY TO BREAKFAST WALK SEPT 6

A 1.5 mile walk for seniors age 60 and over. $1. Crissy Field, Presidio. 10 a.m. (See Newsbriefs for details)*

**CLINICAL NEUROLOGY CONFERENCE.** A 884. 11 a.m.

**PATHS OF HEALING & WHOLENESS SEMINAR:** *Electric Acupressure Energy Balancing.* Mark Fingert. N 517. Noon.

**SCHOOL OF MEDICINE STUDENT LOUNGE GRAND OPENING:** Open to the campus community. Special invitations have been sent to School of Medicine students, department chairs, research unit directors, selected faculty and architects. S 245. 5-7 p.m.

## FRIDAY 23

**MAXILLOFACIAL TRAUMA CONFERENCE.** Rm. 4H40. 7:30 a.m.

## TUESDAY 27

**ORTHOPAEDIC SURGERY GRAND ROUNDS.** Rm. 4H2. 8 a.m.

**PEDIATRIC GRAND ROUNDS:** *Lead Poisoning.* Charles Becker, Clin. Pharmacol. & Tox., & Med. *Anemia.* Peter Dallman, Ped. Carr Aud. 8:30-10 a.m.

**MEDICINE GRAND ROUNDS:** *Tylenol Hepatitis.* Robert Ockner, Med. & Liver Cntr. Carr Aud. 11:30 a.m.

**GI-MEDICINE/SURGERY/RADIOLOGY IMAGING CONFERENCE.** Rm. 1X58. 3:30 p.m.

## WEDNESDAY 28

**UROLOGY GRAND ROUNDS.** SFGH Cafeteria. 7:30 a.m.

**GI-MEDICINE/SURGERY PATIENT CARE CONFERENCE.** Rm. 4H2. 4:30 p.m.

## THURSDAY 29

**NEUROLOGY-NEUROSURGERY CONFERENCE.** Rm. 4H2. 8 a.m.

**TRAUMA CENTER CONFERENCE:** *Total Parenteral Nutrition.* Michael Hickey, Surg., SFGH. Rm. 4H40. 8:30 a.m.

## FRIDAY 30

**MAXILLOFACIAL TRAUMA CONFERENCE.** Rm. 4H40. 7:30 a.m.

## TUESDAY 3

**ORTHOPAEDIC SURGERY GRAND ROUNDS.** Rm. 4H2. 8 a.m.

**PEDIATRIC GRAND ROUNDS:** *Pediatric Resuscitation.* Ron Dieckmann, Emer., SFGH. Carr Aud. 8:30-10 a.m.

**MEDICINE GRAND ROUNDS:** *Sickle Cell Disease.* Stephen Embury, Med. & Hematol., SFGH. Carr Aud. 11:30 a.m.

**GI-MEDICINE/SURGERY/RADIOLOGY IMAGING CONFERENCE.** Rm. 1X58. 3:30 p.m.

## WEDNESDAY 4

**GI-MEDICINE/SURGERY PATIENT CARE CONFERENCE.** Rm. 4H2. 4:30 p.m.

## THURSDAY 5

**NEUROLOGY-NEUROSURGERY CONFERENCE.** Rm. 4H2. 8 a.m.

**TRAUMA CENTER CONFERENCE.** Rm. 4H40. 8:30 a.m.

**FAMILY PRACTICE GRAND ROUNDS.** Carr Aud. 12:30-1:30 p.m.

## FRIDAY 6

**MAXILLOFACIAL TRAUMA CONFERENCE.** Rm. 4H40. 7:30 a.m.

* — Open to the public

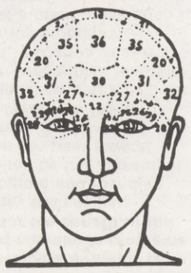
AUG. 17-SEPT. 6, 1985

## 17 SATURDAY



**PLASTIC SURGERY TEACHING CONFERENCE:** *Anatomy of the Face & Scalp.* Thomas Whetzel & To-Nao Wang, Plast. Surg. S 1364. 10 a.m.

## 19 MONDAY

**OTOLARYNGOLOGY DEPARTMENTAL ROUNDS.** S 214. 8-10 a.m.

### MOBILE MAMMOGRAPHY SCREENING SCHEDULE

Women now can have low-cost mammograms—x-rays to screen for breast cancer—from a mobile van that travels to convenient shopping or downtown locations in San Francisco and remains for a week at a time.

Women need the approval of their physicians to have the mammogram. The procedure takes approximately 20 minutes and costs only $30. To make an appointment call x4158 between noon and 3:30 p.m.

The van will be at the following locations for the next three weeks:

- Aug. 19-23: Marina Blvd. near yacht basin, foot of Scott St.
- Aug. 26-30: Near YMCA on 18th Ave. between Geary & Clement.
- Sept. 3-6: Stonestown YMCA, 333 Eucalyptus Dr.

**LABORATORY MEDICINE CORE CURRICULUM IN CHEMISTRY:** *Disorders of the Lymphoid & Monocyte System, Part I.* Jay H. Beckstead, Path. & Lab. Med. L 535. 2-3:30 p.m.

**NUCLEAR MEDICINE CONFERENCE.** S 455. 8 a.m.

**DERMATOLOGY GRAND ROUNDS:** *Clinical Revelations from Retinoids.* Jon Hanifin, Derm., U Oregon. HSW 302. 8-9 a.m.

**PRIMARY CARE LECTURE SERIES:** *Ambulatory Assessment & Management of Hypertension.* Frederic Glazener, Med. A 455. 10 a.m.-noon.

**MEDICINE GRAND ROUNDS:** *Clinical Use of the Anion Gap.* Robert G. Narins, Med., Temple U. *Atrial Naturetic Factor.* Martin G. Cogan, Med. Cole Hall. 10:30 a.m.-noon.

**BROWN BAG TOURS LECTURE SERIES:** *Deep Relaxation Techniques: Music & Imagery.* Frances Smith Goldberg, LPPI. Tapes of all talks available for listening in HSE 345, SIMA unit, UCSF Library. For further information call x4394. HSW 303. Noon. Free.*

**PATHOLOGY GRAND ROUNDS:** *Cervical Intraepithelial Neoplasia.* Barbara Winkler, Path. HSW 508. 5:15-6:15 p.m.

## 5 THURSDAY

**OCCUPATIONAL & ENVIRONMENTAL MEDICINE GRAND ROUNDS:** *Employee Assistance Program.* Bryan Lawton, Wells Fargo Bank, SF. A 455. 8:30-10 a.m.

**PEDIATRIC GRAND ROUNDS:** *Etiology of Renal Dysplasia.* Max Maisels, Uro., Northwestern U. *Cryptorchidism.* Barry Kogan, Ped. Uro. S 644. 8:30 a.m.

**NEUROLOGY GRAND ROUNDS:** *Topic to be announced.* John Cutler, Neuro. S 664. 11 a.m.-12:05 p.m.

**PSYCHIATRY GRAND ROUNDS:** *Introduction to This Year's Grand Rounds Series.* Leon J. Epstein, Psychr., LPPI. *Cocaine Dependence: Pharmacology & Treatment.* Reese T. Jones, Psychr. HSW 301. 11 a.m.-12:30 p.m.

**NEURO-ONCOLOGY CONFERENCE.** L 34. 12:30-2 p.m.

**COMBINED HEMATOLOGY/ONCOLOGY ROUNDS.** M 1296. 1:30-2:30 p.m.

**ORTHOPAEDIC SURGERY CLINICAL GRAND ROUNDS.** A 630. 4 p.m.

### NEW PHONE SYSTEM BEGINS SEPT 6

At 10:15 p.m. all campus telephone lines with a 666 prefix will change to 476. LPPI's prefix will change from 681 to 476. For more information call Irene Holland, x1581 or Mas Sugiyama, x2548.

## &SFGH

## TUESDAY 20

**ORTHOPAEDIC SURGERY GRAND ROUNDS.** Rm. 4H2. 8 a.m.

**PEDIATRIC GRAND ROUNDS:** *Newborn Screening for Genetic Disease.* Kathleen Schmidt, Genetic Nurs., Ped. & Genetics. *The High-Risk Neonate.* J. Colin Partridge, Ped. Carr Aud. 8:30-10 a.m.

**MEDICINE GRAND ROUNDS:** *Portal Hypertension—Pathophysiology & Management.* John Cello, Med. & GI, SFGH. Carr Aud. 11:30 a.m.

**GI-MEDICINE/SURGERY/RADIOLOGY IMAGING CONFERENCE.** Rm. 1X58. 3:30 p.m.

## WEDNESDAY 21

**GI-MEDICINE/SURGERY PATIENT CARE CONFERENCE.** Rm. 4H2. 4:30 p.m.

## THURSDAY 22

**NEUROLOGY-NEUROSURGERY CONFERENCE.** Rm. 4H2. 8 a.m.

**TRAUMA CENTER CONFERENCE:** *A Patient Presentation.* Donald Trunkey, Surg., SFGH. Rm. 4H40. 8:30 a.m.

**NORTHERN CALIFORNIA OCCUPATIONAL HEALTH CENTER GRAND ROUNDS:** *Post-Traumatic Stress Syndrome.* DeLeys Brandman, Occup. Med., SFGH. Carr Aud. 8:30-10 a.m.

**FAMILY PRACTICE GRAND ROUNDS.** Carr Aud. 12:30-1:30 p.m.

## FRIDAY 23

**MAXILLOFACIAL TRAUMA CONFERENCE.** Rm. 4H40. 7:30 a.m.

## TUESDAY 27

# NEWS BRIEFS

*(Employee Benefits continued)*

Contract Fund will not be able to transfer accumulations prior to contract expiration. Participants age 59½ or older who wish to elect a penalty-free withdrawal of their contributions to the Tax-Deferred Annuity Plan for purposes of a tax-free rollover to an IRA will be required to file a notice of intent 90 days prior to withdrawal.

There will be four campus meetings to provide faculty and staff information on the changes in the University Savings Programs. They will be in Cole Hall on Thursday, August 29, from noon to 2 p.m. and 5 to 7 p.m. and Tuesday, September 10, from noon to 2 p.m. and 5 to 7 p.m.

For further information on the above changes, see your department's benefit representative.

**In December 1984 UCSF and Mount Zion Hospital and Medical Center entered into an agreement committing the two institutions to develop a strategic plan to consolidate and coordinate programs and resources for the benefit of the communities they both serve.**

The Joint Program and Planning Board, established by the agreement, has worked over the past several months to address the following:

- The establishment of a Mount Zion/UCSF Foundation that would serve as a vehicle for cooperative fundraising to support joint education, research and community service programs.
- Submission of a grant application to the Commonwealth Fund's new Task Force on Academic Health Centers, a program that seeks to support innovative cooperative ventures between academic health centers and community hospitals. A site visit is anticipated later this year.
- Definition of the functions and responsibilities for the new position of associate dean of the UCSF School of Medicine for Mount Zion programs. The associate dean at Mount Zion would provide academic leadership and act for the dean of the School of Medicine in matters relating to medical education. A search to fill this position will be conducted on a national scale.
- Consideration of a joint Mount Zion/UCSF Institute on Aging, an independent institute that would operate and coordinate geriatric services, research and teaching at both institutions.
- Integration of both institutions' home care programs at the Mount Zion site—expected to be fully implemented by mid-September. This integration includes a teaching component for UCSF medical and pharmacy students and a coordinator to work as a liaison for referrals from both institutions.
- Planning for the establishment of a joint rehabilitation unit located at Mount Zion as the principal rehabilitation center for both institutions. In the meantime, discussions are proceeding to enhance the rehabilitation facility at Mount Zion with joint teaching and research programs.
- Consideration of consolidation of clinical programs. Clinical consolidation has great potential for community benefit by enhancing efficiency and effectiveness of both institutions' services while continuing high quality patient care and meeting Mount Zion's and UCSF's teaching objectives.

As a direct outgrowth of the cooperative spirit expressed in the December agreement, department managers from both institutions have explored joint efforts concurrent with the Joint Board's discussions. Tangible results include:

- A one-year teaching fellowship combining pharmacy and geriatric medicine—the first in Northern California. The fellow, based at Mount Zion's geriatric program, has teaching responsibility for UCSF pharmacy students at both institutions.
- A clinical rotation for UCSF pharmacy students at Mount Zion.
- A joint workshop for nurses, cosponsored by Mount Zion's Department of Nursing, the UCSF Moffitt/Long Hospitals' Department of Nursing Education and Research and the UCSF School of Nursing, is planned for the fall.
- Plans to expand clinical rotations in Mount Zion's geriatric program for UCSF School of Nursing gerontology clinical nurse specialists.

**The Native Sons of the Golden West Charitable Foundation has contributed $60,000 to support patient services in the "UCSF Cleft Palate and Other Birth Defects Project"** within the School of Dentistry's Center for Craniofacial Anomalies.

A multidisciplinary diagnostic and treatment program involving specialists in medicine, dentistry and allied health professions, the Center has been the primary charitable project of the Native Sons since 1953. The recent contribution is the group's largest single donation to UCSF and brings their total amount of support to the Center over the years to more than half a million dollars.

Children are referred to the UCSF Center by family physicians and medical, dental and speech specialists from throughout the state. Center director is Arthur J. Miller, PhD; clinic coordinator is George Chierici, DDS.

**The Pediatric Clinical Research Center, a hospital-wide resource used by all disciplines, moved into new, remodeled quarters on the sixth floor of Moffitt** in July, doubling its floor space. The expanded PCRC is a five-room unit which now includes a formal outpatient area in addition to its inpatient unit.

A majority of clinical work will continue to involve pediatric immunology, endocrinology and rheumatology specialists who have achieved important advances in understanding and treating pediatric AIDS, immune deficiency disorders, growth deficiency and nutritional absorption problems related to sickle cell anemia. Over the past year more than 500 patients have been treated in the PCRC.

Diane Wara, MD, professor of pediatrics, is the new director of the PCRC and pediatric immunology/rheumatology.

**UCSF's Puppet Therapy Program currently has openings for volunteers who enjoy working with children.**

Volunteers in the program are trained as puppeteers to put on informal shows designed to familiarize pediatric patients with hospital procedures and treatment, thereby relieving their fears and anxieties. Volunteers use hand puppets and miniature hospital equipment in their shows and meet with each child on a one-to-one basis.

Volunteers must be at least 18 years old. Previous experience with children or in the health field is desirable. There is a time commitment of two-and-one-half hours a week on a regularly scheduled basis. All volunteers must complete an orientation and training program.

The Puppet Therapy Program is part of UCSF's Child Life Services Division in the Department of Nursing Administration.

For further information contact Adrianne Burton, coordinator, UCSF Child Life Services, x3977.

**Three UCSF specialists will be featured at the 55th Annual Physicians' Postgraduate Symposium on Cardiovascular Diseases on Friday, September 6.**

Cardiologist Melvin D. Cheitlin, MD, will discuss "Case Presentations in Clinical Ausculation"; radiologist Elias H. Botvinick, MD, "The Current State of the Art in Nuclear Cardiology"; and cardiologist Nora Goldschlager, MD, "The Pitfalls in EKG, Rhythm and Exercise EKG Interpretation." Cheitlin also will discuss "Aortic and Mitral Insufficiency: When to Operate" the following day.

Sponsored by the American Heart Association, SF Chapter, the two-day symposium will be held at the SF Hilton and will feature such internationally known physicians as Robert S. Eliot, MD, winner of this year's National Medical Writers Award, and William C. Roberts, MD, chief of the pathology branch of the National Heart, Lung, and Blood Institute.

For further information contact Kari Olila, American Heart Association, SF Chapter, 421 Powell Street, SF, CA 94102, (415) 433-2273.

**The Irwin Memorial Blood Bank has notified the campus that they are seriously in need of blood.** Therefore, a special summer blood drive will be held on campus Thursday, August 29, from 10 a.m. to 3 p.m. on the mezzanine level of the School of Nursing building. Appointments are not needed. Campus blood drives are organized by the Campus Tours and Speakers Bureau. For further information call x4394.

**AIDS is a mental health crisis as well as a medical crisis.** Some 40 health care professionals are joining to address this issue in a two-day symposium on Friday and Saturday, September 13 and 14, in Millberry Union.

Cosponsored by the UCSF AIDS Clinical Research Center, the UCLA AIDS Center and the Center for Interdisciplinary Research in Immunologic Diseases, the conference, the first of its kind in California, will focus on administrative and clinical issues of mental health treatment of persons with AIDS, AIDS-related complex and those in the risk groups for AIDS.

Public policy and administrative issues will be addressed on Friday, with emphasis on coordinated, effective and humane treatment of this population. Saturday's program will include discussions of clinical treatment and the entire spectrum of mental health manifestations in the AIDS epidemic.

Early registration fee is $15, due by September 6. Enrollment is strictly limited, so early registration is advised. Late registration, if available, will be $25. For further information contact Leon McKusick, PhD, program cochair, at 552-6356.

**The campus now is subject to the child abuse reporting requirements of the California Penal Code.** All new employees in the general categories of "child care custodians," "medical practitioners" and "nonmedical practitioners" are required to sign a statement confirming that they have been informed of their responsibility to report known or suspected instances of child abuse to a child abuse protection agency.

Several UCSF departments and areas fall into the above categories. To mention a few: hospital admissions, LPPI, emergency and operating rooms, ACC, Child Care/Study Center, Center on Deafness, Millberry Union, dental clinics, urology, pediatrics, pediatric nursing, orthodontics, social work and surgery.

It remains the responsibility of department chairs and supervisors to determine any job positions that fall into categories where employees must sign the form. All individuals appointed on or after January 1, 1985 are subject to the new regulation. The original signed form is to be retained in the department's personnel files.

For further information employees not covered by union contracts should contact Julius Katz at x2789; employees subject to collective bargaining should contact the Labor Relations Department at x3905.

*(Newsbriefs continued on back page)*

## HONORS & AWARDS

**Robert Isaacson,** professor & chair, growth & development, School of Dentistry: Received the Faculty of the Year Award at the 1985 School of Dentistry Commencement. **Fredrick Fullmer,** lecturer, growth & development & orthodontics, was awarded the Clinical Faculty of the Year Award. **Joanne Daley,** management service officer; **Richard Litt** & **Robert Scholz,** clinical professors, orthodontics received special appreciation awards.

**Jack Levin,** professor, laboratory medicine: Received the Department of Laboratory Medicine's Faculty Teaching Award at the annual faculty/resident dinner in July. **Jonathan Dreyer,** clinical chemist, laboratory medicine, received the Technologist Teaching Award.

**Diana Coleman,** resident, anesthesia: Named Outstanding Woman House Officer of the Year by the Northern California American Medical Women's Association.

**Elizabeth Tong,** clinical nurse specialist, pediatric cardiology: Received an Appreciation of Service Award from the American Hospital Association for her work with pediatric cardiology parent support groups.

**Collin P. Quock,** associate clinical professor, medicine: Elected president-elect, California Heart Association.

**Patricia Sparacino,** clinical nurse specialist, cardiovascular surgery: Elected president, Council of Clinical Nurse Specialists, American Nurses Association, 1985-87.

**Joseph Gryson,** lecturer, growth & development, School of Dentistry: Elected president-elect, Pacific Coast Society of Orthodontics.

**Edwin C. Cadman,** professor, medicine; director, CRI: Received a five-year, $25,000 American Cancer Society Professor of Clinical Oncology Award.

**Paul Porter,** administrative analyst, Affirmative Action Office: Appointed to the Mayor's Committee on the Employment of the Handicapped.

**Francis Schiller,** clinical professor, emeritus, neurology; senior lecturer, history & philosophy of health sciences: Elected to the International Academy of the History of Medicine.

**William E. Cunningham,** fourth-year student, School of Medicine; **Lawrence Leeman** & **Randolph Marshall,** both third-year students, UCSF/UC-Berkeley Joint Medical Program: Awarded SmithKline Beckman Medical Perspectives Fellowships totaling $11,765.

**Raymond Braham,** associate clinical professor, growth & development & pediatric dentistry, School of Dentistry: Guest lecturer, Japanese Association of Pedodontics 23rd Annual Scientific Meeting in May.

**William K. Hamilton,** vice dean, School of Medicine; associate dean, clinical & postdoctoral affairs, School of Medicine; professor, anesthesia: Honored by the 1985 graduating anesthesia class by the renaming of the Annual Faculty Teaching. Award to the William K. Hamilton Award for Excellence in Teaching during the Department of Anesthesia's "Laryngoscope (Graduation) Party." **Michael K. Cahalan,** assistant professor, received the William K. Hamilton Award for Excellence in Teaching. **Edward A. Eisler,** chief resident, received the 1985 Stuart C. Cullen Award for Excellence in Clinical Anesthesia.

**John Greene,** dean, School of Dentistry: Elected president, Western Conference of Dental Examiners & Dental School Deans at the annual meeting in Colorado on July 21.

**Harold H. Lindner,** clinical professor, surgery & anatomy: Made an honorary member of the staff at St. Mary's Hospital for having served as a surgical teacher to the resident staff for 40 years.

**Sol Silverman, Jr.,** professor & chair, oral medicine: Elected president, board of examiners, American Board of Oral Medicine.

## APPOINTMENTS

**Stephen Mathes:** Appointed head, plastic & reconstructive surgery. He came to UCSF in 1978 as associate professor of surgery and became professor in 1984. From 1984-1985 Mathes left UCSF to become professor & head, plastic & reconstructive surgery, Department of Surgery, University of Michigan. Mathes replaces Luis O. Vasconez, who is now professor of surgery and chief of the Division of Plastic & Reconstructive Surgery, University of Alabama at Birmingham.

**Eugene West:** Appointed chair, orthodontics. He came to UCSF in 1948 as an instructor in orthodontics, becoming chair from 1958 until 1978. He returned to a clinical professorship from 1978-1985. **David Grove:** Appointed clinical director, orthodontics. Grove came to UCSF in 1984 as a lecturer in orthodontics. He is a former director of the TMJ Clinic, University of Nevada, School of Medicine.

## IN MEMORIAM

**Terry Hayashi.** The first Nisei, or second-generation Japanese American, to graduate from the School of Dentistry in 1917. Hayashi was born in Kauai, Hawaii and moved to San Francisco with his family in 1905. He did graduate work at Harvard and taught dentistry at the University of Pennsylvania before returning to the Bay Area in the 1930s. In 1974 he was awarded the Fourth Order of the Sacred Treasure by Emperor Hirohito for his community service and his contribution to dentistry in Japan.
